

## Motorbike Helmet Interior Cleaner

### Description

Cleans gently and thoroughly. Removes bacteria and provides a pleasant, fresh scent. The protective film prevents dirt from accumulating quickly.

### Properties

- provides a fresh and pleasant fragrance
- removes bacteria
- forms a protective film
- removes musty smells

### Technical data

Base	wässrig-alkoholische Tensid-Lösung, Duftstoffe / water-alcohol surfactant solution, aromatic principles
Color / appearance	farblos / colourless
Odor	Zitrone
pH value	neutral
Propellant	Propan, Butan / propane, butane
Density	0,91 g/ml
Form	aerosol, flüssig / aerosol, liquid
Flash point	-60 °C

### Areas of application

Gentle and thorough cleaning of helmets, helmet upholstery, visors, trims, saddles, etc.

### Application

Shake vigorously before use. Next, spray onto a soft cloth or rag and rub into the fabric uniformly using slight pressure. Test plastic components on a suitable spot beforehand to make sure that the colours are not affected. Do not use the helmet immediately after cleaning as the product is based on a water/alcohol solution.

### Comment

After using the Motorbike Helmet Interior Cleaner, ventilate the helmet thoroughly.
